15 years! Can you believe it?

The Spirituality Program has been a foundational and transformative experience in the spiritual lives of hundreds. We celebrate and give thanksgiving to God for weaving together such a rich and diverse community.

We would love for you to join us in our 15th Anniversary Celebration! It will be a grand time of **celebrating**, offering **thanksgiving** to God and one another, and **reuniting** with classmates and spiritual friends.

You can register for the Celebration online at www.spiritualityprogram.com
or by calling our registrar, Angela Wyatt, 404-687-4587.
