[Living Prayer: Experiencing Prayer in Many Forms](#)

Held at [Montreat Conference Center](#)

April 26-29, 2012

Roberta Martin is a Presbyterian (USA) minister, writer, and retreat leader. She also serves as a spiritual director and mentor for students in spiritual direction and dream work at Haden Institute. While teaching and mentoring she is constantly amazed by the depth and freshness of Scripture and grateful for fellow companions to share the journey. Roberta is a fellow pilgrim on the spiritual journey, awed by the mystery, surprises, and vastness of God's love. She finds great joy in exploring the mountain trails, sitting by a flowing stream, and breathing in the beauty of God's creation which surround her in her home in Black Mountain, NC.
