ACADEMIC PUBLICATIONS AND RESEARCH

Book Monographs

Creating Resistances: Pastoral Care in a Postcolonial World, Leiden: Brill, 2019

Misunderstanding Stories: Toward a Postcolonial Pastoral Theology, Pickwick, 2013

Guiding values that ground my vocation include (1) listening to and engaging many voices, (2) integrity and accountability between practice and theological profession, (3) interplay between teaching, learning, unlearning, scholarship, and service, (4) collaborative practices of generative feedback and (5) identifying and dismantling complicities in oppression for the sake of transformed practices that foster healing, justice, creativity, and joy.
